KREAM KLEAN
SCRUBBING CREAM CLEANER

Deep cleans without scratching. Uniquely penetrates porous surfaces. Removes the most difficult hard water deposits, stains, soap scum, greasy soil, and oil. KREAM KLEAN polishes while leaving a protective polymer coating. Authorized for use in Federally inspected meat and poultry plants.

Cleans and polishes stainless steel, ceramic tile, bathtubs, metal fixtures and sinks, porcelain fixtures, water fountains, kitchen equipment, bathroom tile, enamel tile, and so much more.

DIRECTIONS FOR USE
Shake before using. Use product undiluted. Apply to area to be cleaned with a wet cloth or sponge. For faster results apply directly on the surface. Scrub to break down the debris. Rinse with water or wet sponge to remove soil. Polish with a dry cloth.

CAUSES EYE IRRITATION

PRECAUTIONS
If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a doctor.

FIRST AID
Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible). If inhaled: Allow breathing of fresh air. Allow the victim to rest. If on skin: Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse. If in eyes: Rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persist. If ingested: Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.

PRECAUTIONS FOR SAFE HANDLING
Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapour.
