L.T. RED-X uses state of the art technology to address troublesome drain line stoppages. Attacks rags, grease, hair, paper products which are the main source of most drain obstructions. L.T. RED-X restores drain lines to full flow capacity. Will not cause offensive fumes like most drain openers. Converts grease & breaks it down into a soft malleable detergent like mass allowing easy flow down drain lines.

L.T. RED-X
Odorless Industrial Line Treatment

CARBONLESS INK

Storage
Store in a cool dry area. Keep from freezing. If frozen L.T. RED-X may separate or thicken. Bring product back to room temperature and mix thoroughly. This will not affect performance.

Directions for Use

Ready to use formulation.

Preventative Maintenance Use 1/4 cup of L.T. RED-X with 1 cup of hot water. Pour in drain. For larger drains, mix 1/2 cup of L.T. RED-X with 2 cups of hot water. Do not use the drain for 5 minutes.

Stopped Up Drains Remove Standing water and pour 1/2 cup of L.T. RED-X in the drain. Add 1 cup hot water. For larger drains, use 3/4 cup of L.T. RED-X in the drain with 2 cups of hot water. Do not use drain for 10 minutes. (If necessary use plunger to assist process.)

Urinals, Toilets & Tubs Pour 3/4 cup of L.T. RED-X and add 4 cups of hot water. Let stand for 1/2 hour before flushing. (If necessary use plunger to assist the process.)

Caution: Do not use where acid drain openers are present.

Exclusively for Industrial & Institutional Use

DANGER:
Causes severe skin burns and eye damage. May be corrosive to metals. Do not breathe mists. Wash hands thoroughly after handling. Wear protective gloves, protective clothing and eye protection. If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations. Keep only in original container. Absorb spillage to prevent material damage. Store in a corrosive resistant container with a resistant inner liner.
