**EXCLUSIVELY FOR INDUSTRIAL & INSTITUTIONAL USE**

**GLISTENOL® BODY SHINE INTENSIFIER**

Glistenol is a futuristic shine enhancer which creates an unparalleled radiant shine. Color is protected through a chemically woven Teflon® fortified formula. Ultraviolet light damage and oxidation are virtually eliminated when used on a regular basis. An extremely brilliant shine is created through a complex Brazilian Carnauba Palm Tree wax blend.

Labor saving technology allows the complete process from start to finish to take 15 minutes or less.
