FAB-TABS
EVAPORATIVE COOLER
AIR CONDITIONER
AND HUMIDIFIER
TREATMENT
ELIMINATES OR PREVENTS
MOST BLOCKAGES IN
AIR CONDITIONING DRAIN LINES

Keep out of reach of children.
DANGER: See back panel for additional precautionary statements.

Contents: 0.53 lbs. (240 g)
To reorder, call 1-800-295-BETA

Eliminates or prevents most blockages in air conditioning drain lines due to build-up of
biofilm, rust, scale, air-borne dust, silt and other solids.

Directions for use:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. When used as directed FAB-TABS will inhibit the growth of odor causing bacteria and combat scale, water spots, and keep drain pans clean preventing condensate pan overflow due to drain line blockage. For up to 20 gallons of water, start treatment by dropping 1 tablet into humidifier reservoir, evaporative cooler reservoir, or drain pan of air conditioner. Apply 1 additional tablet every 3 months or whenever odors occur. Treatment may be more effective if drain pan or reservoir is emptied and cleaned before each tablet application.

Active ingredients:
Alkyl (60% C14, 30% C16, 5% C12, 5% C18) dimethyl benzyl ammonium chlorides ........... 10.0%
Alkyl (68% C12, 32% C14) dimethyl ethylbenzyl ammonium chlorides ......................... 10.0%
Inert ingredients ........................................ 80.0%
Total .................................................. 100.0%

Precautionary statements:
Hazardous to humans and domestic animals:
DANGER

Keep out of reach of children. Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Wear goggles or face shield, rubber gloves, and protective clothing. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID:
Have the product container or label with you when calling a poison control center or doctor or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

Storage and Disposal:
Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Store in cool dry place inaccessible to children.

Pesticide Disposal: Pesticide wastes are hazardous. Improper disposal or excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or your local Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Handling: Nonrefillable container. Do not reuse or refill this container.
